Provider Manual Changes for 2024

Please note that there have been some updates made to the 2024 provider manual on our website. These changes are due to the transition of systems that we have already announced and provided information on. Please take a moment to look through the manual to ensure that you haven't missed any important information.

We announced in October of 2023 that we would be transitioning some of our systems to new vendors. Please see below for the changes and instructions to register.

MyATRIO*: To try and make these transitions easier we have created a platform that contains all the links that you will need in 2024. Registration is easy!!! Head to atriohp.com and select the MyATRIO link from the top of the screen. Follow all onscreen instructions. If you have any questions or need support, please contact ATRIO customer service. The links included in MyATRIO are:

1. Availity- Provider Portal (2024 Claims only and eligibility status)
2. AcuityNXT- Prior-authorization submission and status (for all counties except Douglas, Marion, and Polk, please use the P3 portal.)
3. Novillus- Quality Performance Dashboard for Jackson and Josephine County Providers
4. P3 Provider Portal- Prior authorization submission and status for Douglas, Marion, and Polk Counties.
5. RAM eHS Portal- Provider Portal for 2023 claim dates of service and older.
6. ProviderLenz- Provider Directory

**Each link may require its own registration. Just select the link that you are interested in and follow the prompts. If you have any issues registering for MyATRIO or any of the links, please contact providerrelations@atriohp.com or attend the virtual office hours, see dates below.

VIRTUAL OFFICE HOURS/ADDITIONAL TRAINING OPPORTUNITIES

ATRIO will be offering provider training to review the 2024 benefits. These training courses will go over the changes from benefit year 2023-2024 and any new benefits that might be beneficial for the providers. Please see the scheduled training opportunities below. Invitations will be sent out with more information.

If you need assistance, please join our virtual office hours. These office hours allow you to get your questions answered without having to wait. Please use the log in information below. If you are having difficulty getting logged in, please reach out to providerrelations@atriohp.com.
