2026 Pharmacy Directory

Introduction

This booklet provides a list of ATRIO Health Plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and ATRIO Health Plans formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under ATRIO Health Plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/02/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Clackamas, Douglas, Josephine, Jackson, Klamath, Lane, Marion, Multnomah, Polk, Washington and Yamhill counties in Oregon, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at 1-877-672-8620 (TTY 711), daily from 8 a.m. to 8 p.m. local time.

We also list pharmacies that are in our network but are outside Clackamas, Douglas, Josephine, Jackson, Klamath, Lane, Marion, Multnomah, Polk, Washington and Yamhill counties in Oregon, the area in which you live. You may also fill your prescriptions at these pharmacies. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at 1-877-672-8620 (TTY 711), daily from 8 a.m. to 8 p.m. local time.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
