ATRIO has been serving Oregon residents for over 22 years. We are community-based, and work closely with local providers to improve health outcomes for our members in the places we serve.

Our goal: Make your plan easy to understand and use, so you're always getting the most from your ATRIO Health Plans Medicare Advantage coverage.

This 2027 ATRIO Enrollment Kit has everything you need to compare your ATRIO Medicare Advantage plan options, see the value of our extra benefits, and complete the enrollment process. Whether it's protecting your health, saving money or making your life a little easier, ATRIO Health Plans checks all the boxes for Oregonians.

ATRIO Health Plans is a PPO, PPO C-SNP, and HMO D-SNP with Medicare and Oregon Health Plan contracts. Enrollment in ATRIO Health Plans depends on contract renewal.

Medicare Explained

Original Medicare is offered by the federal government and has two “Parts”:

Medicare Part A is hospital insurance, and generally covers inpatient hospital care, skilled nursing facility, hospice, and home health care.

Medicare Part B is medical insurance that covers doctor’s office visits, diagnostic lab and x-rays, outpatient services like surgery, flu shots, some medications, and more.

Part D Prescription Drug Coverage is not included with Original Medicare and is offered by private insurance companies. Note if you do not enroll in a Part D plan when you first become eligible for Medicare, you may have to pay a “late enrollment penalty” (LEP) for each month you delayed your Part D coverage. This LEP must be paid monthly for as long you are in a Part D plan.

Medicare Advantage

Medicare Advantage (MA) Plans (sometimes called “Part C”) are offered by private companies and combine Medicare Part A and Part B coverage together with other benefits Medicare doesn’t cover – like dental, vision, and hearing. Many also offer Part D coverage, bringing all these benefits into a single plan!

Like most MA plans, ATRIO Health Plans has networks of participating doctors, hospitals, pharmacies, and other care providers. Our members can visit any provider they choose,* but usually pay less with those in our networks. You do not have to choose a Primary Care Physician (PCP), but we encourage you to! A network PCP helps coordinate your care and get the most out of your benefits.

MA Eligibility: To join an ATRIO MA plan you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. If you are enrolled in one of our plans you must continue to pay your monthly Medicare Part B premium.

**Out-of-network / non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call Member Services or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.*

Drug Coverage

Like most MA plans with drug coverage, ATRIO Health Plans has a “formulary” or list of drugs covered by the plan. The formulary offers a wide selection of Medicare-approved, cost-effective generic and brand name options. Each drug is on one of six drug “tiers.” Your cost-share usually increases by tier, up to the highest cost-sharing tier 5 (tier 6 drugs have \$0 copays).

Tier 1: Preferred Generic – low-cost generic drugs

Tier 2: Generic – most generic drugs and select brand drugs

Tier 3: Preferred Brand – preferred-brand and some high-cost generic drugs

Tier 4: Non-Preferred Brand – non-preferred brand and some high-cost generic drugs (approved non-formulary exception drugs are on this tier)

Tier 5: Specialty – specialty drugs (limited to a one-month supply)

Tier 6: Select Care Drugs – some important drugs at a \$0 copay, like Part D vaccines, and selected generic ACE/ARB, anti-diabetic drugs, and statins for treatment of chronic conditions

The formulary also covers some over-the-counter (OTC) drugs, with a prescription from your doctor, at no cost to you.

What if my drug is not on the formulary?

If you can't find your drug, call Member Services or ask your pharmacist for a list of other drug options. You can also talk to your doctor about a different drug on the formulary, or you may submit a “Coverage Determination” request for a formulary exception. Visit atriohp.com for more information or you can ask your doctor to submit one for you.

What are the types of formulary drug restrictions?

Prior Authorization (PA) – an approval needed before getting the drug

Quantity Limits (QL) – a limit on how much of the drug you can get at a time

Step Therapy (ST) – a need to try another drug(s) for the same condition first

Part B vs. D Review – a check if the drug is covered under Part B or Part D

Need help managing your prescription drug costs for 2027?

The Medicare Prescription Payment Plan program (MPPP) helps you manage your out-of-pocket drug costs by spreading them out across the calendar year **(although it will not save you money or lower your drug costs)**. ATRIO members who are most likely to benefit from the program will receive more details in the mail.

Participation in the MPPP program is optional.

For eligible prescriptions, you pay \$0 at the pharmacy for covered Part D drugs and will be billed monthly by ATRIO. The amount billed monthly will be based on your monthly prescription costs as well as the \$2,400 out-of-pocket annual maximum using a standardized formula created by CMS (Centers for Medicare & Medicaid Services). Once you pay \$2,400, you move to the Catastrophic Coverage phase and ATRIO pays 100% of your prescription drug costs. More information on prescription coverage and examples of monthly calculations can be found online at atriohp.com.

Stage 1: Annual Prescription Deductible

Stage 2: Initial Coverage (after you pay your deductible, if applicable)

Tier 1 (Preferred Generic)	\$0/\$0 copay	Not Available
Tier 2 (Generic)	\$0/\$0 copay	Not Available

Tier 5* (Specialty Tier)	28% coinsurance/Not Available	Not Available
Tier 6 (Select Care Drugs)	\$0/\$0 copay	Not Available
Stage 3: Catastrophic Coverage		
After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$2,400, you pay nothing.		

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our standard network, or whether the prescription is a short-term (31-day supply) or long term (100-day supply).

- Save one month's copay by switching to a 90-day supply at a network retail or mail-order pharmacy. Ask your doctor about a 100-day supply and save even more (restrictions apply).
- If you reside in a long-term facility, you pay the same as at a retail pharmacy. If you choose mail-order, you pay the same as a retail 90-day supply at an in-network pharmacy. You may get drugs from an out-of-network pharmacy but may pay more than you pay at an in-network pharmacy.
- What you pay for vaccines - our plan covers most Part D vaccines at no cost to you, even if you haven't met your deductible. Please call ATRIO Member Services for more information.
- What you pay for insulin - our plan covers select insulin products, for which you will pay no more than \$35 for a one-month supply no matter what tier it is on, and even if you haven't met your deductible.

ATRIO Health Plans are PPO, PPO C-SNP and HMO D-SNP plans with Medicare and Oregon Health Plan contracts. Enrollment in ATRIO Health Plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat ATRIO Health Plans members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Services number at 1-877-672-8620 (TTY 711), Daily 8 a.m. to 8 p.m. local time or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Services Representative at 1-877-672-8620 (TTY 711), daily from 8 a.m. to 8 p.m. local time.

Understanding the Benefits

The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit atriohp.com or call 1-877-672-8620 (TTY 711) daily from 8 a.m. to 8 p.m. local time to view a copy of the EOC.

Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

If you choose a plan that includes drug coverage, review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Review the formulary to make sure your drugs are covered.

Understanding Important Rules

In addition to your monthly plan premium (if applicable), you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

Benefits, premiums and/or copayments/coinsurance may change on January 1 of each year.

ATRIO PPO plans allow you to see providers outside of our network (non-contracted providers), while our HMO plans you will only have coverage for in-network providers. However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.

Scope of Sales Appointment Confirmation

The Centers for Medicare and Medicaid Services requires agents to document the scope of a marketing appointment prior to any face-to-face sales meeting to ensure understanding of what will be discussed between the agent and the Medicare beneficiary (or their authorized representative). All information provided on this form is confidential and should be completed by each person with Medicare or his/her authorized representative.

Please initial below beside the type of product(s) you want the agent to discuss	
☐	Medicare Advantage Plans (further indicate below with initials)
☐	Stand-alone Medicare Prescription Drug Plans
☐	Dental/Vision/Hearing Products
☐	Critical Illness and Accident Products
☐	Medicare Supplement (Medigap) Products
☐	Medicare Preferred Provider Organization (PPO) Plan: A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.
☐	Medicare Health Maintenance Organization (HMO): A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).
☐	Medicare Special Needs Plan (SNP): A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.
☐	Medicare Prescription Drug Plan (PDP): A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans.
☐	Medicare Private Fee-For-Service (PFFS) Plan: A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you – not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.
☐	Medicare Medical Savings Account (MSA) Plan: MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.
☐	Medicare Cost Plan: In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

By signing this form, you agree to a meeting with a sales agent to discuss the types of products you initialed.

- The person who will discuss the products is either employed or contracted by a Medicare plan. They do not work directly for the Federal government. This individual may also be paid based on your enrollment in a plan.
- Signing this form does NOT obligate you to enroll in a plan, affect your current enrollment, or enroll you in a Medicare plan.

MEDICARE ADVANTAGE & MEDICARE ADVANTAGE PRESCRIPTION DRUG ENROLLMENT FORM (CLACKAMAS, LANE, MULTNOMAH, WASHINGTON, AND YAMHILL)

Paying your plan premiums

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail, Electronic Funds Transfer (EFT), credit card, over the phone or on our website each month. You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). DO NOT pay ATRIO Health Plans the Part D-IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Even if you have Extra Help now you may need to reapply for recertification. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover. If you don't Select a payment option, you will receive a bill/invoice each month.

Please select a payment option and follow any further instructions for full set-up:

- ☐ Receive a bill/invoice monthly
- ☐ Automatic Electronic Funds Transfer (EFT) from your bank account –for EFT, visit atriohp.com to sign up on our premium portal
- ☐ Credit Card –for credit card payment, visit atriohp.com to sign up on our premium portal
- ☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check. I get my benefits from: ☐ Social Security ☐ Railroad Retirement Board

(The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction or approves deductions to begin after the enrollment effective date, we will send you a bill for your monthly premiums.)

IMPORTANT: Read and Sign Below

- I must keep both Hospital (Part A) and Medical (Part B) to stay in this plan. I must keep paying my Part B premium if I have one, unless Medicaid or someone else pays for it
- By joining this Medicare Advantage Plan, I acknowledge that ATRIO Health Plans will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by Federal law that authorize the collection of this information (see Privacy Act Statement below)
- I understand that I can be enrolled in only one MA or Part D plan at a time –and that enrollment in this plan will automatically end my enrollment in another MA or Part D plan (exceptions apply for MA PFFS, MA MSA plans)

Scope of Sales Appointment Confirmation

The Centers for Medicare and Medicaid Services requires agents to document the scope of a marketing appointment prior to any face-to-face sales meeting to ensure understanding of what will be discussed between the agent and the Medicare beneficiary (or their authorized representative). All information provided on this form is confidential and should be completed by each person with Medicare or his/her authorized representative.

PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.
☐	Medicare Health Maintenance Organization (HMO): A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

MEDICARE ADVANTAGE & MEDICARE ADVANTAGE PRESCRIPTION DRUG ENROLLMENT FORM (CLACKAMAS, LANE, MULTNOMAH, WASHINGTON, AND YAMHILL)

Paying your plan premiums

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail, Electronic Funds Transfer (EFT), credit card, over the phone or on our website each month. You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). DO NOT pay ATRIO Health Plans the Part D-IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Even if you have Extra Help now you may need to reapply for recertification. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover. If you don't Select a payment option, you will receive a bill/invoice each month.

Please select a payment option and follow any further instructions for full set-up:

- ☐ Receive a bill/invoice monthly
- ☐ Automatic Electronic Funds Transfer (EFT) from your bank account –for EFT, visit atriohp.com to sign up on our premium portal
- ☐ Credit Card –for credit card payment, visit atriohp.com to sign up on our premium portal
- ☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check. I get my benefits from: ☐ Social Security ☐ Railroad Retirement Board

(The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction or approves deductions to begin after the enrollment effective date, we will send you a bill for your monthly premiums.)

IMPORTANT: Read and Sign Below

- I must keep both Hospital (Part A) and Medical (Part B) to stay in this plan. I must keep paying my Part B premium if I have one, unless Medicaid or someone else pays for it
- By joining this Medicare Advantage Plan, I acknowledge that ATRIO Health Plans will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by Federal law that authorize the collection of this information (see Privacy Act Statement below)
