WHAT TO EXPECT NEXT

Make sure you're ready to use your benefits as soon as your coverage begins. It's our top priority and we are here to help every step of the way.

Welcome letter & member ID card

Welcome to the ATRIO family.
Your application has been approved.

YOU ARE HERE

Quick Start Reference Guide

Understanding what your plan has to offer and how to get started.

Your plan coverage begins

Beginning on your effective date of coverage (shown on your confirmation of enrollment letter), you can use your ATRIO benefits.

Member Education Meetings

New to Medicare or want to learn more about your new plan? Join us at a meeting near you to learn about all your plan has to offer. To find a meeting near you, call Member Services or visit us online at atriohp.com.

Primary Care Physician Phone Call

Connecting with your doctor is an important step in managing your health. Your doctor may call you to schedule an Annual Wellness Visit. If your doctor does not call you, we encourage you to reach out and speak with your doctor.

HOW TO GET STARTED TODAY

Keep your new ID card in a safe place

Once your coverage begins, you will need your ID card to pick up your medications from the pharmacy and each time you visit your doctor. Since you have both Medicare and Medicaid, be sure to show both your ATRIO ID card and Medicaid Card whenever you visit the doctor.

Set up your myATRIO account at atriohp.com

Online you can view important documents like Evidence of Coverage and Summary of Benefits without creating an account.

Setting up an account will allow you to pay your premium online, view your Explanation of Benefits (EOB) and see your prescription drug coverage and usage. You can register at atriohp.com/member-portals/.

If you have questions or want help setting up your online account, please call ATRIO Member Services at **1-877-672-8620** (TTY 711) daily from 8 am to 8 pm, local time.

Join the D-SNP Enrollee Advisory Committee

Participation in the ATRIO D-SNP Enrollee Advisory Committee (DEAC) is optional! As a member of the DEAC you will be able to provide feedback on what is working, as well as share ideas on how ATRIO can improve. To sign up, please call ATRIO Member Services, or email us at DSNPCM@atriohp.com.

MAKING THE MOST OF YOUR HEALTH PLAN

ATRIO offers many programs to help you stay healthy!

Health Assessment Survey

You may have already received a Health Risk Assessment (HRA) survey from your insurance agent or directly from ATRIO. By filling out an HRA with your health information we are better able to help you manage your health. If you need a new copy or would like help filling it out, contact Member Services.

Case Management

ATRIO has nurses available to help you navigate your health care. They can help coordinate appointments, medications and follow up on how you're feeling. If you would like to learn more, contact Member Services or email at DSNPCM@atriohp.com to connect with a nurse in your area.

Lab Testing & Wellness Assessment

ATRIO offers a yearly in-home wellness review at no extra cost through several partner companies to make preventive care easy and accessible! In-home lab testing kits with pre-paid postage are also available. Your results from these services will be shared with you and your doctor. If you have any questions or would like to schedule an in-home wellness review, please call Member Services.

Medication Therapy Management

Understanding your medications and taking them the right way is important for your health. The MTM program is designed to help members get the most benefit from their medicines if they meet the criteria. A pharmacist from the program will reach out to you to:

- Review medications for chronic conditions like diabetes, as well as vitamins and any over-the-counter medicines.
- Work with your doctors to reduce side-effects of medications or potential interactions that can be harmful to your health
- Look for ways to reduce your drug costs

You may be automatically enrolled in this program if eligible. You will always have the option to opt out.

WHEN TO VISIT YOUR DOCTOR

Your Primary Care Physician (PCP) is the best resource to help you manage your health through preventive care visits. Visiting your PCP is also important when you are not feeling well. They can treat you when you have strep throat, flu and other illnesses.

If you are feeling too sick to visit your PCP many doctors offer virtual telehealth visits.

When to go to Urgent Care

When your PCP is not available, Urgent Care is a great option if it is not a medical emergency. Examples of non-emergencies are:

- Sprains and strains, or minor broken bones
- Sickness or sudden illness, like strep throat or a fever
- Minor burns

To find an Urgent Care near you, check the “Find a Provider” tool on atriohp.com.

When to go to the Emergency Room

For serious, life-threatening conditions it is important to seek immediate care. If you are unsure what to do, call 911.

Examples of medical emergencies are:

- Heavy bleeding
- Chest pain
- Difficulty breathing

MAKING THE MOST OF YOUR ATRIO PLAN

Flex Card Program

As an ATRIO member, you get a debit card to use for some of your health expenses. Your Flex Card allowances can be spent on your preventive and comprehensive dental costs, fitness classes or a gym membership, select over-the-counter items and alternative routine therapies.

- ✓ **Dental** – You will receive a benefit allowance to spend on preventive and comprehensive services from any dental provider (excludes cosmetic procedures).
- ✓ **Staying Fit** – Your fitness allowance can be used toward a gym membership or fitness classes.
- ✓ **Over-the-Counter** – You can use your OTC allowance at participating retail locations, ordering online, or by calling **1-833-287-3622** Monday through Friday 5 a.m. – 8 p.m. PST. To find the catalog of approved items and retail locations visit atriohp.com.

Popular OTC items include:

- Pain relievers (Advil, Tylenol, lidocaine creams)
- Heartburn medications (Tums, Pepcid AC, Prilosec)
- Antihistamines for allergy and cold symptoms

- ✓ **Alternative Therapies** – You will receive an allowance for routine Chiropractic, Acupuncture and Naturopathy services.

VISION COVERAGE – administered by VSP

- ✓ **Office visit coverage**
- ✓ **Eyewear coverage**

The VSP Advantage network will help keep you and your eyes healthy with a WellVision Exam – a comprehensive exam that can detect signs of conditions like glaucoma, diabetes and macular degeneration. Early diagnosis can help detect pre-diabetes and diabetes and is important to managing your health. To learn more about your vision benefit call **1-844-344-0572** (TTY 711) daily from 8 a.m. – 8 p.m. or visit atriohp.com/extra-benefits.

MEALS – administered by Mom's Meals

Mom's Meals provides ATRIO members with 2 meals a day, for 14 days after an inpatient stay in the hospital, a skilled nursing facility or if you are a home health recipient. Menus are diet-specific designed to support your nutritional needs. Your meals will arrive at your door, free of shipping charges, refrigerated and ready to enjoy.

If you would like additional meals, there is a self-pay option so you can enjoy meals at any time for a discounted price. Call Member Services with additional questions.

TRANSPORTATION – administered by SafeRide

- ✓ **\$0 copay per trip**
- ✓ **You receive 24 one-way non-emergent medical transportation trips to any plan approved health-related location per year.**

To schedule a ride, call SafeRide at **1-888-617-0467** (TTY 711), Monday through Saturday, 6 a.m. – 6 p.m., local time.

PERSONAL EMERGENCY RESPONSE SYSTEM (PERS) – administered by LifeStation

LifeStation offers a wearable medical alert system and monitoring, including wristwatch option with heart monitor and step counter. To order your device, call LifeStation **1-888-809-3112** (TTY 711) daily, from 6 a.m. – 6 p.m. PST.

YOUR PRESCRIPTION DRUG COVERAGE (MEDICARE “PART D”)

Your ATRIO Medicare Advantage plan may include Medicare Part D prescription drug coverage. Below is a summary of your coverage – review the Pharmacy Benefit Guide and other important prescription drug information at atriohp.com.

Your ATRIO Medicare Advantage plan uses a “formulary” or list of covered drugs. The cost you pay depends on the Low Income Subsidy (LIS) level you qualify for through CMS. As a D-SNP member, you qualify for Extra Help with your Part D medications.

What if my medication is not on the formulary?

If you cannot locate your drug on the formulary, call Member Services for help. We may be able to provide you with a list of alternative drugs. You can also talk to your doctor about an alternative drug on the formulary or submit a Coverage Determination to request an exception to the formulary.

Why is there a “restriction” on my covered drug?

Some drugs on the formulary come with restrictions to make sure they are used appropriately and safely:

- **Prior Authorization (PA)** – We need to review the medications before the health plan will cover them. Your prescriber (doctor) may need to show that the drug is medically necessary for the plan to cover it.
- **Quantity Limits (QL)** – Due to safety and dose recommendations, plans may limit the amount of prescription drugs covered over a certain period of time. This can ensure safety, and accurate dosing for members.
- **Step Therapy (ST)** – Some medications have alternatives that may be preferred by the plan, in these cases you may need to try different drugs or have your doctor submit information for coverage before you can move up a step to the requested drug.
- **Part B vs. Part D Review** – Some drugs are covered as part of your medical Part B coverage and others are covered under your Part D coverage.

Prescription Drug Benefits

When you enroll, the plan will mail you a “LIS Rider” showing your LIS subsidy level. Depending on your LIS level, you pay the drug costs below until your total out-of-pocket costs reach \$2,000 (including drugs purchased through your retail pharmacy or mail order, or if you are in a long-term care facility).

Subsidy Level	Atrio Special Needs Plan (HMO D-SNP)
Part D Deductible	\$0
LIS Level 1	Generic drugs \$4.90; \$12.15 for brand an all other drugs
LIS Level 2	Generic drugs \$1.60; \$4.80 for brand an all other drugs
LIS Level 3	\$0
Catastrophic coverage	\$0

How to Save Money on Drug Costs

- **Switch to a Generic Drug** – Your Part D plan covers generic drugs, brand name drugs and specialty drugs. Generics are often less expensive. Talk to your doctor about possible alternatives that may be a good fit for you.
- **Switch to a Formulary Drug (lower tier)** – You can talk to your doctor or call ATRIO Member Services to ask about cheaper alternatives.
- **Mail-Order / 90- to 100-day supply** – You can receive a 3-month supply of your maintenance medications, delivered right to your doorstep for only 2 copays! A long-term supply is also available at our retail pharmacies!
- **Apply for “Extra Help”** – Medicare provides “Extra Help” to help pay Part D premiums, deductibles and copays for people who have limited income and resources.
- **Patient Assistant Programs** – You can talk your doctor or call ATRIO for more information.

Call ATRIO Member Services to find out more about how these programs may help reduce your drug costs if you qualify.
